Re: Conservation Chemical Company of Illinois, Inc. Site, Gary, Indiana

Dear Ms. Beasly:

This letter acknowledges our receipt of EPA's letters of September 28 and October 6, 1994, regarding the above-referenced site.

Please forgive our tardy response to the September 28 letter, but it was delivered to Mr. Arthur Homan at [REDACTED] and my handling of it was, therefore, delayed. It would be of great assistance to me if future correspondence to Varian could be directed to my attention at the address below. If you insert "M/S E-339" in the address, delivery will be even faster.

Please be advised that Varian is a member of the Conservation Chemical Company of Illinois, Inc. *De Minimis* Group, and Varian will continue to work with EPA through the *De Minimis* Group regarding this matter. Please note, however, that Varian sold its National Electronics Division to Richardson Electronics, Ltd., as we stated in our May 18, 1990 Response to EPA's January 30, 1990 Request for Information, and responsibility for the CCCI Site now lies with Richardson.

Please let me know if EPA requires any additional response from Varian in connection with the letter dated September 28, 1994.

Very truly yours,

Alan D. Palter
Associate Corporate Counsel
